

My Profile

WB15

*"Innovative inventor
with an unquenchable
thirst for knowledge"*

Communication Profile

Your communication style is strategic, reflective, and solution-oriented. It emphasizes connecting ideas to broader goals and patterns, while encouraging imaginative thinking and learning from past precedents. Practical challenges are addressed through flexible, well-reasoned solutions that consider multiple options. It values thoughtful reflection and validation before decisions are finalized, supported by clear documentation. All communication is grounded in verifiable facts and logical reasoning, ensuring clarity, credibility, and alignment with long-term outcomes.

Big Picture approach

- ✓ Talk about the big picture, connecting your conversation to the outcome desired
- ✓ Draw attention to relevant patterns within the information
- ✓ Explore past precedence and in relation the to topic being discussed
- ✓ Discuss or entertain imaginative new ideas and potential possibilities

Practical and Flexible

- ✓ Talk about solutions to problems or challenges faced (Pros and Cons)
- ✓ Allow for multiple options to be presented, discussed or considered
- ✓ Allow for flexibility in timeline or delivery schedule where possible
- ✓ Explore the potential benefits of un-orthodox approaches, solutions or strategies

Allow time to Reflect

- ✓ Allow ample time for the digestion and validation of information
- ✓ Prioritize information and opinion review and reassessment where necessary
- ✓ Encourage time for reflection prior to finalization or conclusion
- ✓ Provide meeting minutes, or next-steps, or concerns in written form

Evidence and Facts

- ✓ Provide facts that can be verified where possible
- ✓ Include objective evidence and corroboration of information
- ✓ Present relevant previously established precedence
- ✓ Use logic and fact-based arguments to support conclusions
